

# Project Planner

Plan at the start of your week, then finish this page before you present. You build your presentation however you like; this page is just to help you prepare.

## GETTING STARTED

### 1. My role model is... and I chose them because...

---

---

### 2. The two values that best describe them:

| # | Value |
|---|-------|
| 1 |       |
| 2 |       |

### 3. Which track will you take?

### 4. What, specifically, will I do this week?

---

---

## BEFORE YOU PRESENT

### 5. What I actually did, this week:

---

---

### 6. My evidence: what I will show, and how it proves it:

---

---

**Remember: two minutes, to the whole form. Bring your actual evidence with you, not just this page.**

# How Did It Go?

*A few honest minutes to look back on your week, once your presentation is done.*

**Name:**

**Track taken:**

**1. What went well, and what was harder than you expected?**

---

---

---

**2. Did anything surprise you about your role model, your values, or yourself, this week?**

---

---

---

**3. How did the people around you respond to what you did?**

---

---

---

**4. Would you choose the same track again? Why, or why not?**

---

---

---

**5. What is one thing you would tell next year's students about doing this project?**

---

---

---

*Well done for following through on this, in your own way, all week.*
